Before you know it Halloween will be here. It's time to finish up all the Halloween pieces so that they can be finished in time and I hope our featured designs will inspire you and put you in the mood for one of my favorite holidays.

Halloween always has a cat or two. Here's our version, Punkin, #93. He even comes with an black companion cat named Cinder, #94. Both designs feature a black spider hanging from his web. The design area on both is 5.75 x 7.5 inches, 18 count canvas. At this time only Punkin has a stitch guide.

I love all the kids who come knockin' on our door. It's really fun to see the cute costumes. #77, Trick or Treat features two little trick or treaters are all dressed up and ready to go. This design comes with a great stitch guide that features glow in the dark threads and buttons from Just Another Button Company. The design size is 5.75 x 6 inches on 18 count canvas.

This little black cat is out finding mischief under a glow-in-the-dark moon, nearby a small mouse hides behind an orange pumpkin. This design is on the smaller side, measuring only 4 x 6 inches on 18 count canvas. A stitch guide is available for Spooky.

What's Halloween without a bunch of pumpkins? We've taken three and stacked them up one on top of the other. This would make a great stand up decoration. Design measures 3 x 9 inches on 18 count canvas. Running out

of space on this page so here is a link to this design...

Taking pictures of painted canvases is tough because the lines in the canvas introduce moire into the pictures, As always, please click on the pictures to be shown a better picture
